KxB&B 2013.8.3

External Release Notes

KxB&B

171137

Web Page *KxB&B > Payment Provider*

Issue Where a payment provider sends multiple postbacks, KxB&B is failing to correctly cancel \ confirm the bookings.

Resolution Issue has been resolved.

181807

Web Page *KxB&B > Payment Provider*

Issue DUPLICATE ISSUE

Resolution See the release note against our call reference 171137 for the details of the fix for this issue.

182373

Web Page *KxB&B > Search > Room Availability*

Issue Where bedroom stock has been reserved to an event and 'Bedroom Restrictions' apply to the same stock, the number of available rooms is not being calculated correctly.

Resolution Issue has been resolved.

182616

Web Page *KxB&B > Search for Adverts*

Issue An incorrect value for 'Number of Nights' is displayed when searching for adverts when the booking dates cross when 'British Summer Time' starts or ends.

Resolution Issue has been resolved.

183081

Web Page *KxB&B > Search for Adverts*

Issue Rare issue with a 'SQL Error (50000)' being returned when, following a bedroom being added to the cart, the search parameters are changed and that bedroom is no longer available.

Resolution In this instance, the error will now be handled correctly. The bedroom will be removed from the cart and the user will be presented with an error message explaining the issue.

183488

Web Page *KxB&B > Admin*

Issue The 'Admin' web site is slow to open.

Resolution Issue has been resolved.

184301

Web Page *KxB&B > Search for Advert*

Issue When searching for adverts for more than 1 night, it was possible for available room stock to not be returned.

Resolution Issue has been resolved.

184710

Web Page *KxB&B > Search for Advert*

Issue It is possible for room stock which is available to not be returned when it is partly booked to other events or 'out of service'.

Resolution Issue has been resolved.

187670

Web Page *KxB&B > Payment Page*

Issue For some payment providers where a name or address includes the '&' character, the payment process would fail.

Resolution Issue has been resolved.

188689

Web Page *KxB&B > Payment Provider*

Issue DUPLICATE ISSUE

Resolution See the release note against our call reference 171137 for the details of the fix for this issue.

189713

Web Page *KxB&B > Complete Booking*

Issue Duplicate payments are being received for some bookings.

Resolution Issue was due to multiple postbacks from the payment provider, now if the booking is status is either 'Confirmed' or 'Cancelled' the payment will not be processed again.
