External Release Notes

KxB&B

113203

Web Page *KxB&B > Admin > Adverts***Issue** DUPLICATE ISSUE**Resolution** See the release note against our call reference 163583 for the details of the fix for this issue.

161836

Web Page *KxB&B > Admin Portal > Adverts > View Adverts***Issue** When the maximum number of nights is set against an advert it is only possible to make a booking for less than the maximum night value.**Resolution** Issue has been resolved.

Bookings can now be made up to and including the maximum number of nights set against an advert.

163583

Web Page *KxB&B > Admin > Adverts***Issue** When a rate attached to an advert is removed from KxConfiguration the system generates the following error when trying to update the advert in the Admin area 'There has been an error performing your requested operation'.**Resolution** Issue has been resolved.

As a part of this development new functionality has been introduced. If a rate has been removed from KxConfiguration that is attached to an advert, the rate is displayed in a separate grid and is flagged as deleted. The following message is displayed for deleted rates 'This rate has been removed within the Kx back office and therefore should be deleted'.

176939

Web Page *KxB&B > Admin > Adverts***Issue** DUPLICATE ISSUE**Resolution** See the release note against our call reference 163583 for the details of the fix for this issue.

179706

Web Page *KxB&B > Admin > Adverts***Issue** When searching in B&B for greater than 7 nights, adverts which should be returned are failing to return.**Resolution** Issue has been resolved.

180156

Web Page *KxB&B > Admin > Site Settings > Global Settings > Site Limits > Max Rooms***Issue** When an advert has multiple rates available, it is possible to book a number of rooms greater than the global maximum.**Resolution** Issue has been resolved.

180699

Web Page *KxB&B > Admin > Adverts***Issue** DUPLICATE ISSUE**Resolution** See the release note against our call reference 161836 for the details of the fix for this issue.

180994

Web Page *KxB&B > Admin > Site Settings > Friendly URL***Issue** When creating a short URL the location aspect is not being referenced, all adverts are being returned regardless of the location.**Resolution** Issue has been resolved.

181136

Web Page *KxB&B > Admin > Site Settings > Global Settings > Site Limits > Max Rooms***Issue** DUPLICATE ISSUE**Resolution** See the release note against our call reference 180156 for the details of the fix for this issue.

181448

Web Page *KxB&B > Admin > Adverts*
